“Ricordati di Me”

**Percorso informativo a tappe
sul tema dell'Alzheimer**

A detailed illustration of an elderly person's face, rendered in a sketchy, textured style. The person's eyes are closed, and their expression is peaceful. The face is surrounded by a dense arrangement of vibrant, multi-colored flowers in shades of red, orange, yellow, and purple. The background is a light, textured pattern.

Settembre, Mese Mondiale
dell'Alzheimer
